

PRODUCT SPECIFICATION	It is an organic product whose components reduce the emission of obnoxious odors (which are generated during the degradation of organic matter), because they decrease the large the amount of toxic gases (ammonia, methane, sulfide and mercaptans), released from the digestive tract of animals in livestock facilities, as well as during composting processes and wastewater treatment.												
COMPOSITION	<p>Food grade plant-grade liquid extract.</p> <table><tr><td>Saponins</td><td>B50 menor a 10 mg.</td></tr><tr><td>Total Nitrogen</td><td>0.72%</td></tr><tr><td>Total Phosphorus</td><td>0.82%</td></tr><tr><td>Potassium</td><td>0.81%</td></tr><tr><td>Calcium</td><td>0.05%</td></tr><tr><td>Diluents</td><td>25.41%</td></tr></table>	Saponins	B50 menor a 10 mg.	Total Nitrogen	0.72%	Total Phosphorus	0.82%	Potassium	0.81%	Calcium	0.05%	Diluents	25.41%
Saponins	B50 menor a 10 mg.												
Total Nitrogen	0.72%												
Total Phosphorus	0.82%												
Potassium	0.81%												
Calcium	0.05%												
Diluents	25.41%												
PHYSICAL FEATURES	Amber liquid.												
APPLICATION RATES	<p>For composting processes: 2 liters of Enviro-Plus per 10 cubic meters of organic waste, which must have 50% moisture.</p> <p>For septic pits: 500 ml of enviro-plus each week.</p> <p>For animal beds: dilute 200 ml of Enviro-plus in 10 liters of water and spray waste (100 square metres area).</p> <p>For odor control in animal manure (pigs, cattle, poultry, sheeps, etc.): dilute 5 ml of Enviro-Plus in 5 Lt of clean water and spray for each 50 Lt of manure, twice per week or as needed until reach the required odor control.</p> <p>To be used as an additive in balanced feeds (breeding and posture poultry, pigs and breeding cattle and dairies, consult your veterinary doctor.</p>												
SECURITY MEASURES	<p>Wear goggles and plastic gloves during handling.</p> <p>Avoid contact with the eyes.</p> <p>Do not ingest the product.</p> <p>Do not store near food or leave close to children.</p>												
COMPATIBILITY	Not compatible with any other product.												
PACKAGE	Available in high density polyethylene containers of 5 and 20 Lt.												
STORAGE	Keep containers closed, in dry places at temperatures not lower than 10°C nor higher than 40°C.												

Enviro-Plus. REVISION : JANUARY 2020.
